

Scotch Broth Mystery Tour

Saturday 3rd - Monday 5th April 2010

Friday Departing from Bradford at 9.00 am, the one thing that you can be certain of on this tour will be that we are going to be heading North and that we will include a 'tasty' mix of Scottish ingredients! Our aim is to be north of the Scottish border by lunchtime and then this mystery tour will really get going as we travel through the

wonderful scenery of this 'bonnie' country on the way to our hotel for the tour and dinner. We will stop en route of course, to give you a chance to explore one of the regions towns - and possibly even to top up your tartan!

Saturday Today will be our chance to explore our chosen region - and that will include a visit to one of the local attractions; it might be a castle, it might be a boat ride, it might be something completely different - you will just have to trust us! Scenery galore will of course not be an optional extra. We return to our hotel for dinner

Sunday What will we have on offer for you today? Whatever it is, you can be sure that there will be a real flavour of Scotland to it. There will be a visit to one of the regions most attractive towns and chance to sample the attractions that it has to offer - a mix of something for everyone is, as always, what we are trying to achieve today. We expect to return to Bradford by mid evening.
