

Suffolk Scenes

Friday 4th - Monday 7th June 2010

Friday Depart Bradford 09.00am heading south with a stop en route to [Cambridge](#), city of inspirational museums, galleries and the arts and an excellent central area steeped in history. On then to our hotel situated in the heart of the delightful Stour Valley.

Saturday Morning visit will be to historic [Colchester](#), with museums, galleries and a cosmopolitan

atmosphere. Then on to the [Beth Chatto Garden](#) which was an overgrown wasteland with poor boggy soil transformed into an informal garden harmonising with the surrounding countryside. The work of Beth and the late Andrew Chatto started in 1960 using what is now known as "ecological gardening".

Sunday We travel through the picturesque Suffolk countryside to [Somerleyton Hall](#), with its connections to Yorkshire through the famous carpet manufacturing family the Crossley's who purchased the hall in 1863. It is a magnificent country house complete with fabulous gardens including one of the best mazes in the country. Then on to Britain's most easterly point and resort - [Lowestoft](#) - a traditional family seaside resort with wonderful golden sandy beaches.

Monday With time to look around [Sudbury](#) before departure, and a stop en route at [Bury St Edmunds](#) to admire the Cathedral, Abbey Ruins and rejuvenated town centre. We have a further stop en route, back for mid evening.

The Hotel

The [Mill Hotel](#) stands on the banks of the River Stour with magnificent river and countryside views. The oak beamed restaurant overlooks the Terrace and mill pond, and the working mill wheel is located behind a glass screen for all to view. The bar with views over the adjacent water meadows is surrounded with comfortable Edwardian-style seating, antiques and artefacts. All rooms include en-suite bathrooms, hairdryer, tea and coffee making facilities and TV.
