

Edinburgh Tattoo

- Late Show with Fireworks Finale!

Friday 13th - Sunday 15th August 2010

Friday Depart Bradford 09.30am heading east to join the A1, we will stop en route in the border town of **Berwick Upon Tweed** which has had a turbulent history as the buffer between England and Scotland. There are town walls, a harbour with swans, and apparently the town is still at war with Russia! On then to our hotel with spectacular views overlooking the Firth of Forth with both the road and rail bridges in view.

Saturday Late morning start for an afternoon visit to **St Andrews**, where a sense of history pervades every nook and cranny, and because the town centre has few chain stores the shopping is always a rewarding experience. We return to the hotel for evening meal, then make our way into **Edinburgh** for the **Late Show of the Tattoo**. *(Please note that an uphill walk and steps are involved getting to your seats - if you have any mobility problems please let us know)*. Following the spectacular **Firework Display** we return to our hotel in the wee small hours!

Sunday Following a leisurely start we travel into the centre of **Edinburgh** where you will have plenty of time to enjoy the sights, the shops, and the lively atmosphere of the city at festival time. We leave mid afternoon for a westerly run down the M74 /M6. Back Bradford late evening.
